WHERE DOES THE MONEY GO?

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.

Our club uses the proceeds from the annual pancake day fundraiser to donate more than \$15,000 to 20+ local agencies whose mission is child-related such as the Big Brothers & Big Sisters, United Way Imagination Library, and the YMCA in our "Young Child Priority One" program. We spend an additional \$15,000 each year in our "Back To School Shopping" event where we help buy school clothing and supplies for 100+ children in need. We host a bicycle and safety helmet give-away to 100+ children at our "Christmas Bicycle Project," and we provide several scholarships to local graduating high school seniors.
